**Excavation/Septic Contractor** \_\_\_\_\_

**Additional Information Required:**

A floor plan of the proposed building, showing all rooms and their designated use, with dimensions clearly presented

A plot plan showing the dimensions of the property in question, with all setbacks clearly shown

All buildings currently on property must be shown, and distances between any and all buildings must be noted

3 copies of the septic design (HHE-200), signed and dated, if it is a new system

A plumbing application, signed and dated, with the master plumber's license number. All mobile homes require a hookup done by a licensed plumber or the homeowner.

**Certificate of Applicant**

I certify that if this application is granted, I shall conform with the provisions of all Codes and Ordinances of the Town of Boothbay as they may be interpreted by the Municipal Officers. All permits will be void unless operations there under are significantly completed within one (1) year after the date of the permit. Signing authorizes inspections necessary to issue permit, as well as all inspections necessary to ensure compliance throughout the building process.
